# F.S. Calcival

## Animal Feed Supplement

TRUSTED

PROVEN

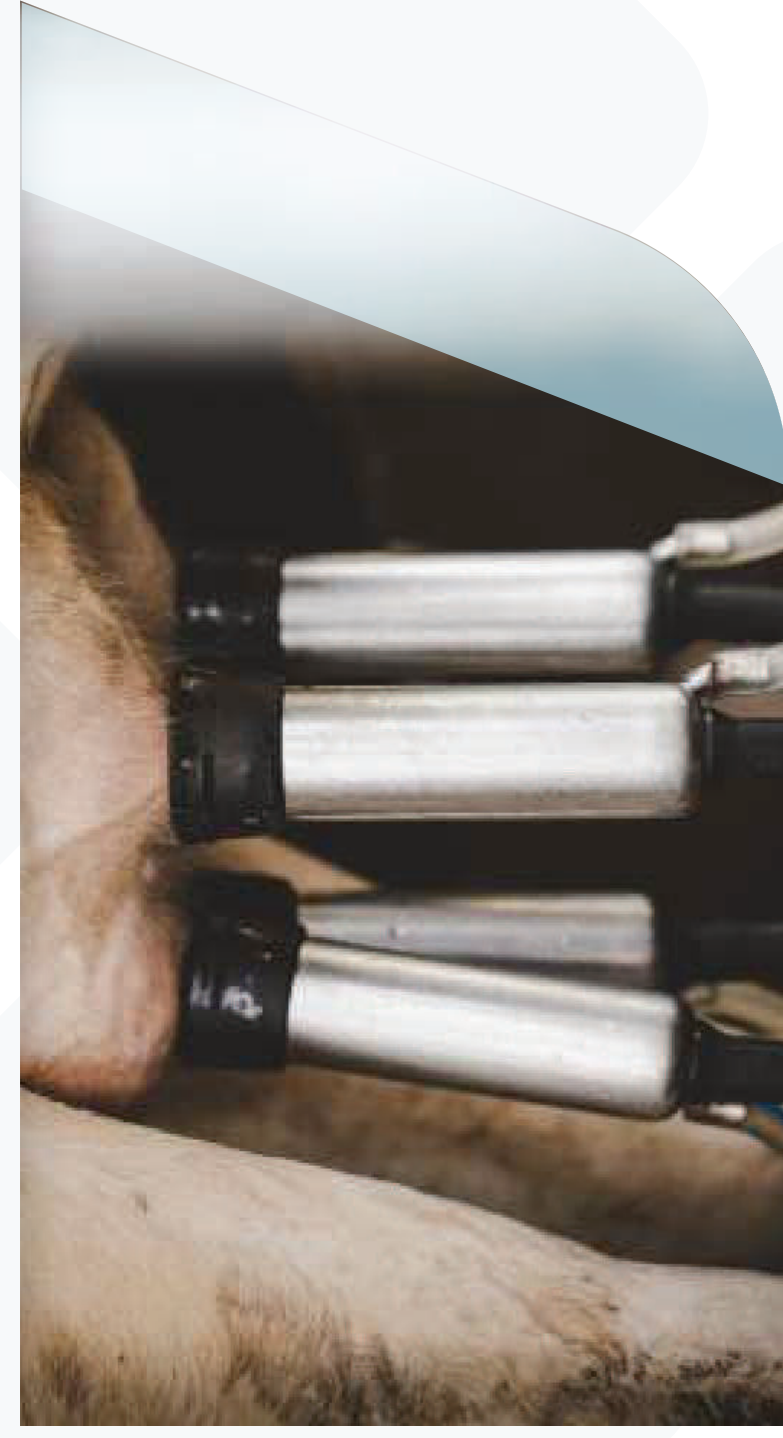

VERIFIED

# Unlocking Strength in Every Drop

## Why Choose F.S. Calcival?

**✓ Postpartum Support & Fever Prevention**  
Replenishes calcium levels after birth, helping prevent deficiencies and ensuring smooth recovery.

### Increased Productivity & Quality

Formulated to boost milk yield while maintaining S. N. F. (Solids-Not-Fat) levels, benefiting dairy farmers and consumers alike.

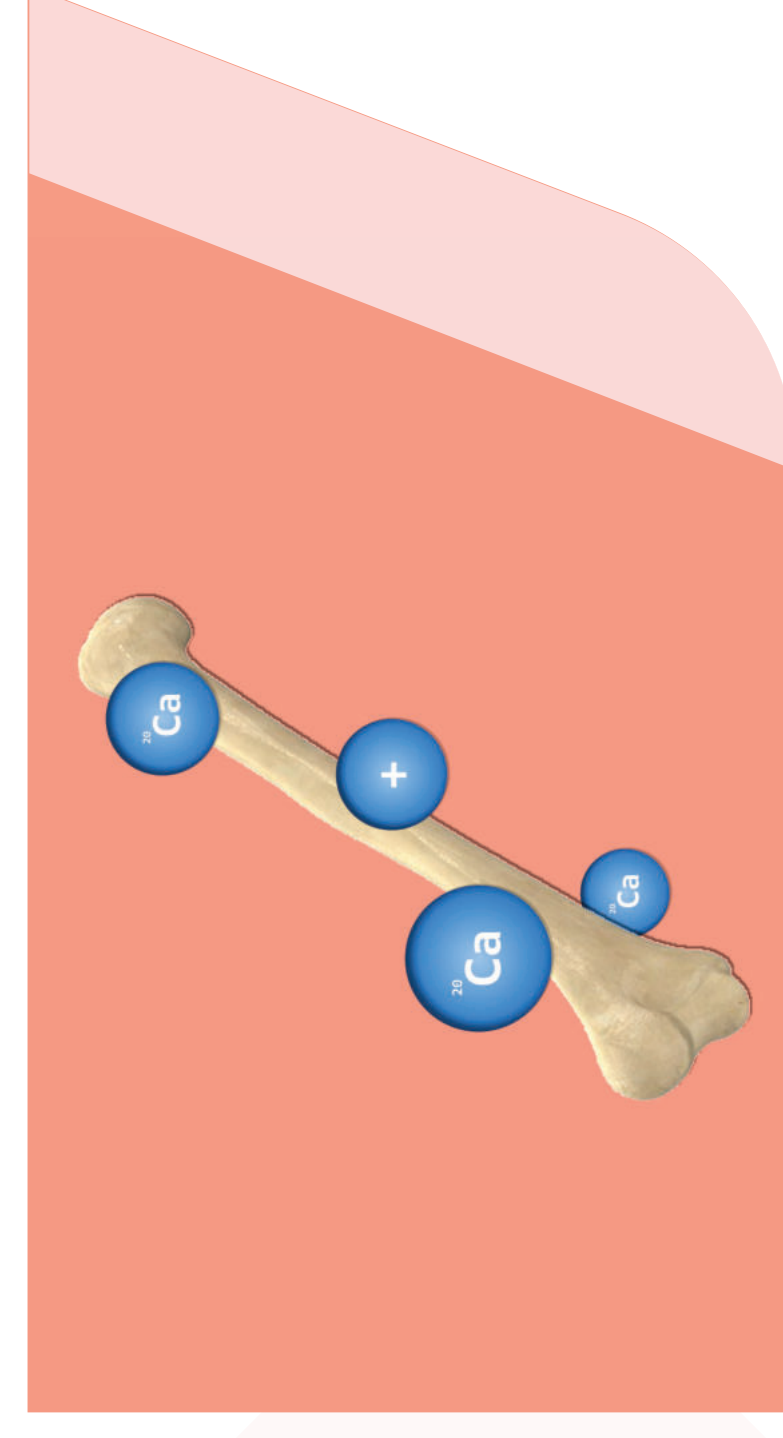

### Stronger Bones, Healthier Muscles

Strengthens bones, muscles, and joints to ensure healthy movement and growth.

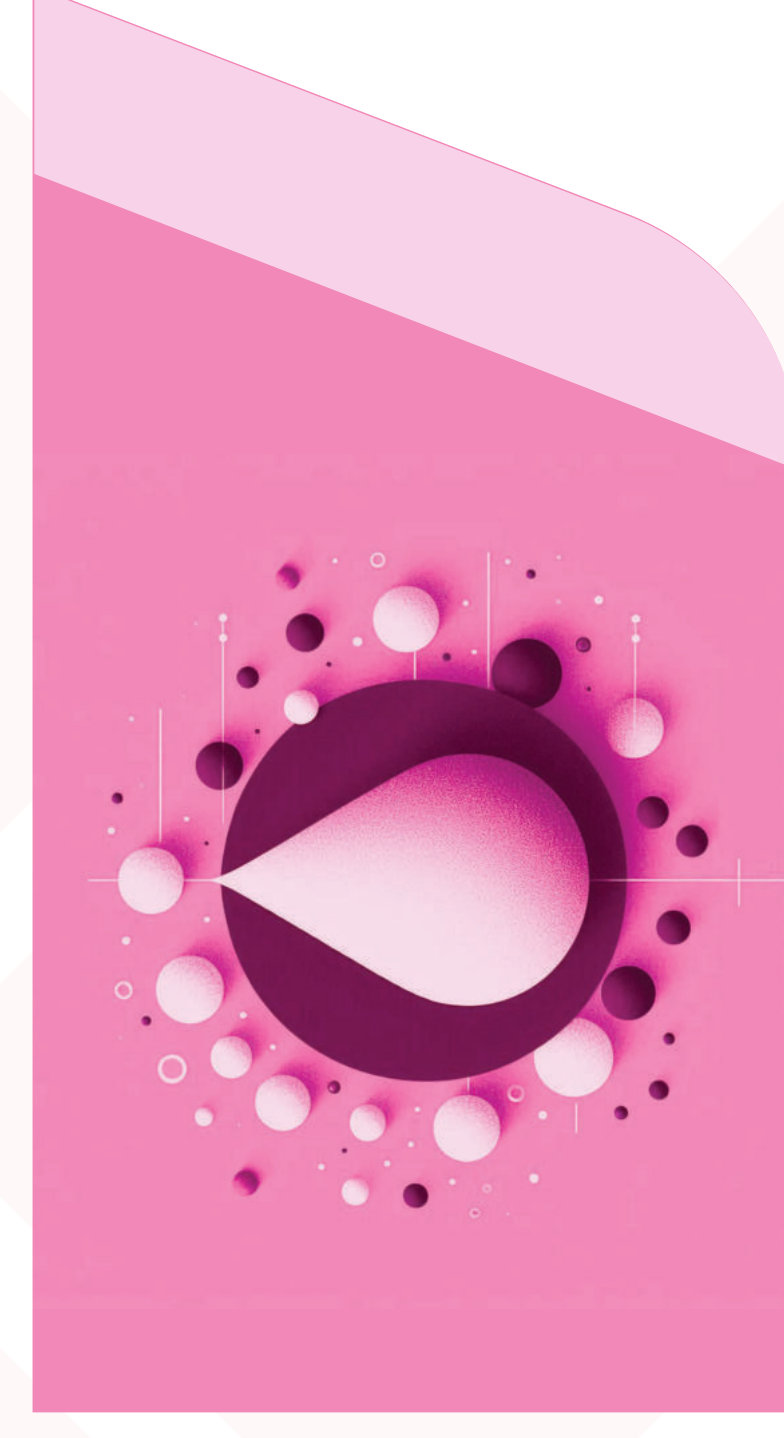

### Enhanced Nutrient Absorption

Enriched with multivitamins that optimize metabolism, ensuring better nutrient uptake for overall animal wellness.

### Powerful Blend of Nutrients

Combined with Calcium, Phosphorus, Magnesium, Manganese, Vitamin D3, Vitamin B12, and Syrup Sucrose for healthier, more productive animals.

# A Daily Dose of Strength & Health
